Anti-cellulite and slimming products

are available in a variety of forms – take-home treatments include patches, bath products, topical creams, oils and masks. Most reputable salon lines have a cellulite treatment program, and if cellulite concerns you, there are many ways in which to firm your skin. Brands like Sothys, Elemis, Gatineau, Vincent Davianny, Pure Destiny Aromatics, Matis and Lipo-Fitness (Yves St Laurent) offer highly effective salon alternatives to more costly treatments, and include vital take home products that will dramatically enhance the salon procedure.
